

IT Mentor Program Student Goal Worksheet

Complete this worksheet and bring it with you to the orientation. Be prepared to share your responses with your mentor to help you set goals for the relationship.

1. Have you chosen your major? What influenced your decision? What other majors did you consider?

2. Name 3 careers or specialty areas that you would like to explore.

3. Think about networking. Who would you like your mentor to introduce you to? What professional groups would you like to connect with?

4. Consider your level of interest in the following activities. Rate your interest level as low, medium or high.

Visit mentor's workplace	L	M	H
