University of Minnesota

Self-Help Guide

Canvas: Integrate Media Using Kaltura

This self-help guide is an introduction for integrating media into your Canvas course site using Kaltura. It focuses on how you can use Kaltura to share media content with students, create interactive video quizzes, and organize media playlists for your course's video content. It also covers how to manage media usage with Media Gallery.

Get Started with Kaltura in Canvas

Learn About Video Instruction

Why Use Video?

Media is everywhere in our society today and can be a powerful tool for teaching and learning. But to use it effectively, it is important to create and manage media strategically and efficiently.

Use Video For Effective Instruction
