Self-Help Guide

Drupal Lite 9: Create and Manage a Drupal Lite Site

This self-help guide is for building a site in Drupal Lite 9, including requesting and configuring your site, adding content to your site, and managing your site.

If your site is using Drupal Lite 7, you should refer to the Drupal Lite 7: Create Sites and Contribute Content self-help guide.

Create a Basic Website

Drupal Lite 9 Overview

About Drupal Lite 9

Folwell Design System
http://folwell.umn.edu
Folwell is packaged with your Drupal Lite 9 site.
Request a Drupal Lite Site
/request-drupal-lite-site
Compare Tools to Create a Website

Extend a Site

Add more automation to your site

Create a New Automated List

An example of an automated list might be a collection of biography pages, or a group of news articles.

Modify Teaser Layout for Use in a View
/services-technologies/how-tos/drupal-lite-9-modify-teaser-layout-use
Create a New View to Display a List of Content on a Page
/services-technologies/how-tos/drupal-lite-8-9-create-new-view-display
Add New Content Blocks to a Page
/services-technologies/how-tos/drupal-lite-8-9-add-new-content-blocks

Extend a Content Type

Edit Content Types
Add a New Field to a Content Type
/services-technologies/how-tos/drupal-lite-8-9-add-new-field-content

Remove a Field from a Content Type
/services-technologies/how-tos/drupal-lite-8-9-remove-field-content

**Embed Objects on a Page**

**Embedding Objects**

You can embed other content (Google map, YouTube video, etc.) on a page

Add a Google Map Custom Block to a Page
/services-technologies/how-tos/drupal-lite-8-9-add-google-map-custom

Embed a Google Doc in a Page
/services-technologies/how-tos/drupal-lite-8-9-embed-google-doc-in-page

Embed a Google Sheet in a Page
/services-technologies/how-tos/drupal-lite-8-9-embed-google-sheet-in

Embed Google Slides in a Page
/services-technologies/how-tos/drupal-lite-8-9-use-iframe-embed-google

Add a YouTube Custom Block to a Page
/services-technologies/how-tos/drupal-lite-8-9-add-youtube-custom-block

**Embed a Twitter Block**

Add a Twitter Block to a Drupal Site
/services-technologies/how-tos/drupal-9-add-twitter-block-drupal-site

**Using Folwell Components**

**Use Folwell Components**
